Myles V. Gosselin passed away on August 23, 2007 in a tragic car crash. Myles was a great martial artist and a wonderful human being. To keep his memory alive, his family has established **The Myles V. Gosselin Foundation** working to help young people succeed. Our goal is to support the education and opportunities of teenagers. We hope to give them a chance to advance in academics, sports, or any other venture which will be positive and productive.

We hope to show the same caring, dedication and motivation for success as our beloved son, brother, uncle, friend, colleague and peer; **Myles V. Gosselin.**

Recognition: In 2007 the KRANE Karate Association, a well-known national and international Karate organization, inducted Myles into the Black Belt Hall of Fame. To honor Myles, this organization established The Myles V. Gosselin Junior Black Belt of the year award. **The recipients are:**
